

Little Trucker Basket #4618

Any small, plastic truck works well for the Little Trucker Basket. Attach a package of Gummi Bears to the truck by either putting it in the dump truck box or attaching it to a crane or backhoe – whatever works for the type of truck you have. Seal the jawbreaker in cellophane and place it in the truck or use strong tape to attach it to the cab of the truck. Add a rock candy stick, either as the horn or through the cab.

Shrink-wrap the entire truck. Tie three colors of raffia around the body. Roll the same three colors of raffia around your hand and tie on the original piece. Cut the raffia at all the loops so it fluffs out.

Use a display sign with your price inserted (available online).
