

## **Fudge Cones**

- Make a scoop of fudge with a # 30 scooper.
- Dip the edge of the cone in chocolate and place the fudge on top of the cone.
- Let harden to attach fudge to cone.
- Dip fudge and top edge of cone in coating, shake and lightly scrape to remove excess coating.
- Sprinkle with gems or mini-gems, etc., as needed.
- Lay the finished fudge cone down to harden.
